

# DIGITAL PERSONAL DATA PROTECTION (DPDP) ACT 2023

Managing Compliance & Regulatory Obligations

## Helping you comply with data privacy and protection

**Navigating the complexities of the India Digital Personal Data Protection (DPDP) Act is a complex and demanding task. It has far-reaching implications for businesses, fundamentally changing the way personal data is handled and processed.**

Skysecure, your accredited Microsoft security partner, can simplify your DPDP journey – from initial assessment to deployment, maintenance and ongoing governance – through our tailored, leading-edge Microsoft security solutions and expert understanding of the Act.

Microsoft's comprehensive security solutions enable you to address data privacy, governance, compliance, and risk management in a consistent, integrated manner using unified solutions that provide unprecedented visibility and protection across your data – all powered by AI and automation.
